Undergraduate Academic Regulations & Examination Rules

1. Attendance Requirements and Condonation

Regular attendance in all scheduled lectures, tutorials, and practicals is compulsory:

- **Standard Attendance:** A student must maintain a minimum attendance of 75% in each enrolled course to be eligible for end-semester examinations.
- **Medical Condonation:** In exceptional cases of certified medical illness or hospitalization, attendance between 65% and 75% may be condoned by the Dean of Academic Affairs upon submission of genuine medical certificates and paying a condonation fee of Rs. 1,000 per subject.
- **Debarred Status:** Any student with attendance below 65% is summarily debarred from sitting for the end-semester exam in that course and must repeat the course during summer semester.

2. 10-Point Absolute Grading System

Academic performance is evaluated using the following grade distribution:

Grade	Marks Range	Grade Point	Description
O	90 - 100	10	Outstanding
A+	80 - 89	9	Excellent
A	70 - 79	8	Very Good
B+	60 - 69	7	Good
B	55 - 59	6	Above Average
C	50 - 54	5	Pass
F	Below 50	0	Fail (Requires Re-examination)

3. Re-evaluation and Answer Script Verification

Students dissatisfied with their end-semester examination marks may apply for re-evaluation:

- Application must be submitted within 10 calendar days of official grade publication on the student portal.
- A non-refundable re-evaluation fee of Rs. 500 per theoretical paper applies.
- If the revised score changes by more than 15%, the script is re-examined by a third external evaluator.

4. Degree Duration Limits

- The maximum permitted duration to complete the 4-year B.Tech program is 6 academic years (12 semesters). Failure to clear all requirements within 6 years will lead to cancellation of registration.
