Campus Placement Policy and Guidelines (2024-2025)

1. Eligibility Criteria for Campus Drives

To participate in on-campus placement drives, undergraduate students must meet the following baseline criteria:

- **CGPA Requirement:** Minimum CGPA of 7.5 throughout the degree (no rounding up).
- **Active Backlogs:** Zero active backlogs at the time of company registration. Any history of cleared backlogs must be declared truthfully.
- **Disciplinary Clearance:** Student must have no pending disciplinary inquiries or misconduct flags from the Proctorial Board.
- **Attendance:** Minimum 80% attendance in placement preparatory classes and mock interviews.

2. Company Categorization and Salary Tiers

Companies visiting campus are classified into three distinct tiers based on CTC offered:

Category	CTC Range (LPA)	Policy Rule
Tier 1 (Dream / Marquee)	≥ 14.0 LPA	Open to all eligible students; one Dream upgrade permitted.
Tier 2 (Core / Super)	7.0 to 13.9 LPA	Standard offer; student eligible for Tier 1 drive if offered Tier 2.
Tier 3 (Mass / Standard)	< 7.0 LPA	Single offer policy applies; eligible for Dream drive upgrade.

3. Dream Offer and Upgrade Policy

A student securing an offer in Tier 3 or Tier 2 is allowed exactly ONE upgrade attempt under the Dream Offer policy:

- If a student secures an offer with CTC < 8 LPA, they are eligible to appear for Tier 1 companies offering 15 LPA or higher.
- Once a student receives a Dream offer (Tier 1), their participation in further campus placement drives is strictly terminated to ensure equal opportunity.

4. Attendance and Code of Conduct

- Attendance in Pre-Placement Talks (PPT) is mandatory (100%) for all registered candidates.
- **Blacklist Penalty:** If a candidate registers for a drive but absents themselves from the test or interview without 24 hours prior medical justification, they will be debarred from the next 2 consecutive campus recruitment drives.
- Formal attire is strictly enforced: Navy blue or black blazer, white shirt, and formal leather shoes.

5. Contact and Placement Cell Desk
